

RIVERFRONT DEVELOPMENT

Carol Johnston, Waterfront Project Manager,
Ironbound Community Corporation
179 Van Buren Street
Newark, NJ 07105

(p) 973 589-3353, (f) 973 589-3637 caroljsc@aol.com

The Ironbound Community Corporation shares the evolution of a process that created a vision for the remediation and restoration of the Passaic River and the contiguous upland in the Ironbound section of Newark. See how recreational and open space needs are balanced with development interests when leadership emerges and partnerships are forged across public/private lines. Explore how restoring conditions that favor life contributes to strengthening the local community
