Chemistry 430
Advanced Organic Chemistry
Section 01
M,T,Th 8-8:50

Instructor: Dr. Brant Chapman
349 Richardson Hall
655-7118
chapmanb@mail.montclair.edu
www.csam.montclair.edu/~chapman

Office Hours: M 11-12, T 10-11, Th 9-10, or by appointment.

Texts (required):
1. A Guidebook to Mechanism in Organic Chemistry, P. Sykes

We will use other texts periodically, and in those cases, excerpts will be handed out, or reserve copies will be available in the department or the library.

Grading: There will be 3 one hour exams (100 points each) and a two hour final (200 points). Final exam will be cumulative, but heavily biased towards final chapters covered. Makeup exams will be given ONLY with a valid medical excuse. Makeup exams MUST be taken within 1 week of returning to class.

Exam I February 28th
Exam II March 23rd
Exam III April 17th
Final Exam May 8th, 8:00 A

Homework: There will be assigned problems with each topic covered in class. These problems are assigned only to help you. They will be handed out in class, and available on the website listed above.
